Guidance Retainer

**Are you looking for a reliable resource
to answer questions or assist you
in troubleshooting issues?**

\$ 349—*One-time fee*

If you are a small business owner who manages your own social media platforms, marketing or web content, this is the perfect service for you!

A guidance retainer service provides you with 4-hours of consultation via email or phone, including assistance re-searching solution options. When you've used your time, you can just replenish your account for additional hours.

- Content strategies
- Creating content
- Analytics
- How to post content
- How to set up a platform
- How to use hashtags
- Relationship marketing
- The list is endless!

NOTE: This is an advice-based service. Technical assistance is optional and is left to the discretion of the coach.
